REQUEST FOR RECONSIDERATION OF PETITION UNDER 37 CFR 1.47(a)

Applicants respectfully request reconsideration of the Petition Under 37 CFR 1.47(a), filed with a certificate of mailing date of September 19, 2002 which was dismissed by the January 16, 2003 DECISION REFUSING STATUS UNDER 37 CFR 1.47(a).

Applicants submit herewith a substitute STATEMENT OF FACTS IN SUPPORT OF FILING ON BEHALF OF NON-SIGNING INVENTOR (37 CFR Sec. 1.47).

The Statement demonstrates that Ms. Linda-Lentjes-Sissing had first-hand knowledge that the application papers (including, specification, claims and abstract, a Declaration and Power of Attorney and Deed of Assignment) were forwarded to Mr. Franco Folcio; that these application papers were received as evidenced by a Confirmation of Receipt on March 25, 2002; and that the application papers have not been returned as of September 19, 2002. Indeed, the application papers have not been returned as of this date, but the STATEMENT was not changed to reflect this. It

is, thus, submitted that Mr. Folcio was presented with the application papers and that he has not responded to the request to sign the Declaration and Power of Attorney.

No fee is believed due for the REQUEST. However, if a fee is due, the accompanying transmittal provides for the same to be charged to a deposit account.

Reconsideration of the PETITION is requested.

Respectfully submitted,
